

DRIVING DIRECTIONS TO SPARKS & CRAIG, LLP
6862 Elm Street, Suite 360
McLean, Virginia 22101
(703) 848-4700

General Orientation

Elm Street in McLean can be accessed, at one end, by Route 123 North (Dolley Madison Boulevard) and, at the other end, by Beverly Road. Elm Street is two blocks north of the intersection of Dolley Madison Boulevard and Old Dominion Drive.

Our location, 6862 Elm Street, is an eight-story office building with ample parking in the rear of the building.

From the Wilson Bridge, Interstates 95 and 395, Alexandria, Springfield, Annandale and Southern Fairfax County via the Inner Loop of the Beltway (Rt. 495)

- Exit the Beltway at Exit 46B, which is marked "Chain Bridge Road/McLean;" this Exit puts you on Rt. 123 North.
- Once on Rt. 123 North, which is also known as Dolley Madison Boulevard, drive approximately 1.9 miles and turn right onto Elm Street. Elm Street is the second street after you go through the intersection of Dolley Madison Boulevard and Old Dominion Drive.
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

From Montgomery County, the American Legion Bridge and portions of Great Falls via the Outer Loop of the Beltway (Rt. 495)

- Exit the Beltway at Exit 46B, which is marked "Chain Bridge Road/McLean;" this Exit puts you on Rt. 123 North.
- Once on Rt. 123 North, which is also known as Dolley Madison Boulevard, drive approximately 2.2 miles and turn right onto Elm Street. Elm Street is the second street after you go through the intersection of Dolley Madison Boulevard and Old Dominion Drive.
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

From the Dulles Airport, Reston, and Herndon via the Dulles Access/Dulles Toll Road (Rt. 267)

- Exit the Dulles Access/Dulles Toll Road at Exit 19B, which is marked "Rt. 123 North/McLean;" this Exit puts you on Rt. 123 North.
- Once on Rt. 123 North, which is also known as Dolley Madison Boulevard, drive approximately 1.3 miles and turn right onto Elm Street. Elm Street is the second street after you go through the intersection of Dolley Madison Boulevard and Old Dominion Drive.
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

From the District of Columbia, the Roosevelt Bridge, Rosslyn and Arlington via Route 66 West

- Remember that Route 66 West is HOV-2 from 4:00pm to 6:30pm. If you do not have two passengers in your car during that time period, it would be advisable to travel the George Washington Memorial Parkway.
- Route 66 West can be accessed from the District of Columbia by crossing the Roosevelt Bridge and staying in the left lanes.
- Exit Route 66 West at Exit 67; this Exit puts you on the Dulles Access Road.
- Exit the Dulles Access Road at Exit 19B, which is marked "Rt. 123 North;" this Exit puts you on Rt. 123 North.
- Once on Rt. 123 North (which is also known as Dolley Madison Boulevard) drive approximately 1.1 miles and turn right onto Elm Street. Elm Street is the second street after you go through the intersection of Dolley Madison Boulevard and Old Dominion Drive.
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

From the District of Columbia, Rosslyn, Arlington, and portions of McLean via the George Washington Memorial Parkway

- The George Washington Memorial Parkway can be accessed from the District of Columbia by crossing the Roosevelt Bridge or the Key Bridge and staying in the right lane.
- Exit the George Washington Memorial Parkway at the exit marked "Route 123, McLean" and turn right, off the exit ramp, onto Route 123 South.
- Proceed on Route 123 South approximately 2.9 miles and turn left onto Old Dominion Drive.
- Once on Old Dominion Drive, stay to the left and turn left onto Beverly Road; and, from Beverly Road, turn left onto Elm Street.
- Our building is on the right side of Elm Street. Parking in the rear of the building is ample and free.

From Leesburg, Sterling, and Great Falls via Route 7 East (Leesburg Pike)

- Exit Route 7 East at the exit ramp marked "Rt. 123 North/McLean." That exit is on the right, immediately after you pass under the bridge which carries Rt. 123 over Route 7 East. That exit ramp puts you on Rt. 123 North.
- Once on Rt. 123 North (which is known as Chain Bridge Road in the Tysons Corner area and which is known as Dolley Madison Boulevard in McLean) continue North and turn right onto Elm Street. Elm Street is the second right after you pass through the intersection of Dolley Madison Boulevard and Old Dominion Drive.
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

From Fairfax, Oakton, and Vienna via Route 123

- Get on Route 123 North and proceed to McLean (Route 123 is known as Ox Road south of the City of Fairfax, Chain Bridge Road through Fairfax to Vienna, Chain Bridge Road in the Tysons Corner area, and Dolley Madison Boulevard in McLean.)
- Turn right onto Elm Street. (Elm Street is the second right after you pass through the intersection of Dolley Madison Boulevard and Old Dominion Drive.)
- Our building is on the left side of Elm Street. Parking in the rear of the building is ample and free.

If All Else Fails

If you should get lost, ask directions to the McLean 22101 Post Office. That Post Office is on Elm Street, diagonally across the street from our building.
